

Tell It Well

When you pass your brothers and sisters
Give them a hug
You got lots of Love now
It's there from above
Tell it well

And when you pass a stranger
Bring him along
Give him God's word to grow on
Give all your Love
Tell it well

Tell it because
On that faithful day when the Lord will come
We'll all be there to meet him
In the clouds above
Tell it well

When you pass your brothers and sisters
Give them a hug
And when you pass a stranger
Bring him along
Tell it well

Blackbird

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free

Blackbird, fly
Blackbird, fly
Into the light of the dark black night

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
